**Domain Expertise:** Financial Contract Analysis, Rights & Royalties Tracking, Participations, Contract Review, Legal Drafting, Workflow Reporting, Stakeholder Communication, Production Finance, Content & Media Reporting

## PROFESSIONAL EXPERIENCE

**Turbo LV** 2025 – Present
*Founder* *Remote*

- Business entity formation, registration, and compliance across multiple states including registered agent, statement of information maintenance, business license renewals and more.
- Business profile development including Dun & Bradstreet registration.
- End-to-end trademark filing service through the United States Patent and Trademark Office (USPTO).
- Remote notary and loan signing agent services.

**Warner Bros. Discovery (Warner Bros. Entertainment)** Aug 2023 – Jun 2025
*Sr. Analyst, Financial Contracts & Reporting Administration* *Burbank, CA*

- Analyzed, interpreted, and summarized financial reporting provisions across 1,000+ talent, production, licensing, music licensing, and distribution agreements spanning video game, home entertainment, television, and theatrical content, identifying contractual obligations and surfacing discrepancies for legal and business affairs teams.
- Built and maintained Excel-based workflow tracking reports to monitor deal status, amendment timelines, and financial agreement revisions across multiple business units, improving visibility into active agreements and reducing reporting lag.
- Led special research and analysis projects including participant and auditor queries using SharePoint, Excel, and Jira to organize findings and deliver clear, data-driven summaries to senior stakeholders.

**Legendary Entertainment (Legendary Television)** Jul 2022 – Nov 2022
*Contract Administration Manager, Business & Legal Affairs* *Burbank, CA*

- Managed deal term tracking across TV and digital talent agreements covering options, screen credits, licensing, royalties, and participations, coordinating with talent agencies, talent management, legal representatives, production, and guilds including the WGA to ensure accurate data across a portfolio of active agreements.
- Spearheaded implementation of a digital rights management workflow in FilmTrack, collaborating with business affairs and production finance stakeholders to improve data organization and reduce manual tracking across the department.
- Coordinated contract execution via AdobeSign, iManage, Asana, Box, and FilmTrack while liaising between production and business affairs for distribution and licensing deals, and facilitating IP copyright registration with the US Copyright Office.

**The Walt Disney Company (Disney Branded Television)** Nov 2021 – Jul 2022
*Contract Administrator, Business & Legal Affairs* *Burbank, CA*

- Managed deal term entry, credit reviews, and agreement tracking across 500+ agreements for Disney Channel, Disney XD, Disney Junior, and Disney+ productions, ensuring compliance with business affairs and legal requirements while liaising with talent agencies, legal representatives, and production teams for series regulars and day players.
- Compiled and delivered business and legal affairs deal updates for senior management and corporate finance, synthesizing agreement data across multiple active productions simultaneously to support executive decision-making.
- Administered contract execution via DocuSign, BLAST, and SharePoint, serving as a coordination point between casting administration, production, and business affairs to maintain accurate records across paper and electronic documentation workflows.

**The Walt Disney Company (Disney Television Animation)** Mar 2020 – Oct 2021
*Business & Legal Affairs Coordinator* *Glendale, CA*

- Reviewed 400+ agreements and drafted 100+ short-form and long-form legal agreements including artist certificates, options, assignments, and service agreements, coordinating directly with talent agencies, talent management, legal representatives, labor relations, and production finance to ensure accurate execution.
- Created and maintained deal status tracking charts, forms, and templates used across the business affairs department, supporting executives and cross-functional teams including casting administration and external consultants on high-volume, short-turnaround deliverables.
- Supported Business & Legal Affairs executives on short-turnaround negotiation matters, serving as the primary point of contact for coordination across talent representatives, production, and multiple internal stakeholder groups.

**Cox Media** Aug 2018 – Mar 2019
*Contract Coordinator, Campaign Fulfillment* *Atlanta, GA*

- Imported and activated TV advertising contracts while running and analyzing operational reports to ensure accurate application of ad-copy instructions across nationwide sales divisions.
- Collaborated with regional sales teams to process contract revision requests accurately and efficiently within time-sensitive production windows.

**The Coca-Cola Company** Aug 2017 – Jan 2018
*Account Coordinator, Marketing & Sales Support* *Alpharetta, GA*

- Managed time-sensitive account data via Salesforce and QuickBase in response to natural disaster relief operations, coordinating nationwide project and research reporting via SAP.
