PROFESSIONAL EXPERIENCE

TLV
Jul 2025 - Present

Sr. Analyst, Business Analytics

- Manage key term tracking for client agreements, using AI-assisted workflows with Anthropic Claude and OpenAI Codex to speed up term extraction, agreement tracking, and recurring client reporting. Documents are de-identified with Adobe Acrobat Pro Redact and Sanitize before any AI-assisted step, and every output is verified against source documents before delivery.
- Curated multiple live dashboards displaying transformed and validated financial and operational data into KPIs and trend reporting supporting cash-flow forecasting, funding prioritization, budget-to-actual comparisons, and investment-performance monitoring.
- Form and maintain business entities across multiple states, including registrations, registered agent coordination, state filings, and business license renewals.
- Develop business profiles, including Dun & Bradstreet registration, provide end-to-end copyright and trademark filing support through the U.S. Copyright Office and the USPTO, and provide remote notary and loan signing services.

Warner Bros. Discovery
Aug 2023 - Jun 2025

Sr. Analyst, Financial Contracts & Reporting Administration – Deal Management

- Analyzed and summarized financial reporting provisions in talent, production, licensing, music licensing, and distribution agreements for video game, home entertainment, television, and theatrical product; identified obligations and surfaced discrepancies for legal and business affairs teams.
- Built and maintained Excel workflow reports tracking deal status, amendment timelines, and financial agreement revisions across business units; partnered with business affairs, legal, and other stakeholders to align reporting with contractual intent and coordinate new-product and library-product updates.
- Led participant and auditor research projects, reviewing agreements, court documents, and financial statements, and conducted copyright and chain of title review; used Sylvester, SharePoint, Excel, and Jira to organize findings and deliver data-driven summaries to senior stakeholders.

Legendary Entertainment
Jul 2022 - Nov 2022

Business & Legal Affairs, Contract Administration Manager

- Managed deal terms and rights across television and digital talent agreements, including options, screen credits, licensing, royalties, participations, acquisition agreements, amendments, engagement certificates, and invoices; coordinated with talent agencies, representatives, production, and guilds including the WGA.
- Partnered with business affairs and production finance to implement a FilmTrack digital-rights workflow, improving data organization and reducing manual tracking; also managed writers' worklist submissions and director deal memos.
- Coordinated distribution and licensing deals between production and business affairs, tracked development spend, facilitated studio copyright filings and chain of title documentation, and managed contract execution through Adobe Sign, iManage, Asana, Box, and FilmTrack.

The Walt Disney Company
Nov 2021 - Jul 2022

Business & Legal Affairs, Contract Administrator

- Entered deal terms, reviewed reports and credits, and managed paperwork for series regulars and day players; coordinated with talent agencies, legal representatives, and production teams to meet business affairs and legal requirements.
- Tracked agreements across Disney Channel, Disney XD, Disney Junior, and Disney+ productions and synthesized updates for senior management and corporate finance to support decisions across active productions.
- Administered execution through DocuSign, BLAST, and SharePoint; coordinated with casting administration, production, and business affairs while maintaining accurate paper and electronic records.

The Walt Disney Company
Mar 2020 - Oct 2021

Business & Legal Affairs Coordinator

- Supported executives on short-turnaround negotiations and drafted long- and short-form agreements, including artist certificates, options, assignments, and service agreements; coordinated with talent agencies, talent management, legal representatives, labor relations, and production finance.
- Created and maintained deal-status charts, forms, and templates; supported casting administration, executives, and external consultants with time-sensitive deliverables.
- Coordinated with contract and copyright administration on U.S. Copyright Office filings and managed contract execution through DocuSign, BLAST, and SharePoint; submitted business expenses through SAP Concur.

Cox Media
Aug 2018 - Mar 2019

Contract Coordinator, Campaign Fulfillment

- Imported and activated television advertising contracts, maintained paper and electronic records, and ran operational reports to confirm ad-copy instructions were applied accurately.
- Worked with nationwide sales divisions on contract revisions within time-sensitive production windows.

The Coca-Cola Company
Aug 2017 - Jan 2018

Account Coordinator, Marketing & Sales Support

- Managed time-sensitive account data in Salesforce and QuickBase for natural-disaster relief operations, coordinated nationwide project and research reporting in SAP, and supported correspondence to replace damaged intellectual property.
